## **A Statement of What We Believe**

Because what we really believe is what we really do!

"...because of our love of Christ, His gospel, and His church, we endeavor to assert anew our commitment to the central truths of the Reformation and of historic evangelicalism. These truths we affirm not because of their role in our traditions, but because we believe that they are central to the Holy Scriptures - The Bible."

### Sola Scriptura (Scripture alone)

We reaffirm the inerrant Scripture to be the sole source of written divine revelation, which alone can bind the conscience. The Bible alone teaches all that is necessary for our salvation from sin and is the standard by which all Christian behavior must be measured.

### Solus Christus (Christ alone)

We reaffirm that our salvation is accomplished by the mediatorial work of the historical Christ alone. His sinless life and substitutionary atonement alone are sufficient for our justification and reconciliation to the Father.

### Sola Gratia (Grace alone)

We reaffirm that in salvation we are rescued from God's wrath by His grace alone. It is the supernatural work of the Holy Spirit that brings us to Christ by releasing us from our bondage to sin and raising us from spiritual death to spiritual life.

### Sola Fide (Faith alone)

We reaffirm that justification is by grace alone through faith alone because of Christ alone. In justification Christ's righteousness is imputed to us as the only possible satisfaction of God's perfect justice.

### Soli Deo Gloria (to God alone be glory)

We reaffirm that because salvation is of God and has been accomplished by God, it is for God's glory and that we must glorify Him always. We must live our entire lives before the face of God, and the authority of God and for His glory alone.
